

LETTER FROM THE CHAIRS

Dear Journalists,

We, Faiza Murtaza and Eshal Warsi, welcome you all to the 49th annual Houston Area Model United Nations conference! We hope that all of you are excited as you take part in one of the biggest diplomatic conferences offered in the city! We look forward to serving you all as the chairs of Press Corps!

I, Faiza Murtaza, am an international sophomore, pursuing a Bachelor of Science in Psychology at the University of Houston. I have delegated and chaired Model UNs since 2016. I was able to delegate as part of Press Corps at Harvard National MUN in 2018. I served as the vice president of the International Relations Club back in Bangladesh (my country of origin). I am looking forward to seeing the dynamic changes that will be brought to Press Corps through your new ideas!

I, Eshal Warsi, am a junior studying Political Science at the University of Houston. I participated in Model UN for all four years of high school and attended HAMUN 46, 47, and 49. Last year, I had the pleasure of serving as the Press Corps chair and I enjoyed the experience so much that I decided to chair the committee once again!

In Press Corps, we primarily focus on news coverage of individual committees through the form of news articles and multiple breaking news segments. The journalists are given full freedom to utilize their freedom of speech (while still maintaining utmost decorum and code of ethics) to provide the readers, and us chairs, with the most credible of information, and even cause a stir in the committee.

We expect Press Corps journalists to follow ethical norms, submit articles on time, and give their best effort. So, give it your best and we wish you good luck!

Best,

Faiza Murtaza and Eshal Warsi
